

Inc. 5000 Europe: Clickky Mobile Ad Platform Makes TOP-5 Among Marketing and Advertising Companies

Odessa, March 3, 2016

We are extremely proud to announce that Clickky has made the TOP-5 among marketing and advertising companies in the Inc. 5000 Europe 2016 ranking.

Compiled by Inc. magazine, Inc. 5000 Europe is a list of the fastest-growing privately held companies in Europe. Clickky's overall rank is 11 out of the 5000 companies that made the 2016 list. While the average company on the list has grown 490%, from 2011 to 2014 Clickky grew 1,498%, with an estimated revenue of €3.2m.

"The main reason for our success is that we really enjoy what we are doing. The Inc. 5000 Europe rating shows results of our work through 2011-2014, and we are really happy that we rose this high. We made several even a bigger steps in 2015 and increased our growth dynamics. Our main goal is to become the world's most efficient and easy-to-use mobile platform. We are already one of the mobile advertising leaders on emerging markets, and we believe that in the years to come we will be able to show even more astonishing growth," - shared Vadim Rogovskiy, Clickky's CEO and founder.

Inc. magazine has rated the best private companies since 1982. The introduction of the European Inc. 5000 edition provided the opportunity to recognize the flourishing European startup landscape. Previous notable alumni of the Inc. 5000 are Zappos, Microsoft, Timberland, Clif Bar and Oracle.
