

MBC AWARDS DISCOVER THE BEST IN MOBILE MARKETING

Mobile Beach Conference presents a new award for professional achievements in the mobile marketing industry - Mobile Beach Awards.

On the nomination of any person or company can be put forward. The winners are companies recognized as the best in the result of online voting.

Nominations:

- Best Mobile Monetization Platform
- Best Mobile Network
- Best Mobile Marketing Agency
- Best Mobile Analytics Company
- Best Newcomer
- Best account/affiliate manager

Mechanics and stages of the contest:

January 24 – April 10 - accepting applications for nominations.

April 11 – May 1 - online voting on the website. After the voting is finished the shortlists are formed (5 companies for each nomination).

May 1–15 — online voting for shortlists.

May 28 - awarding winners at MBC2016.

Mobile Beach Conference is the hottest industry event and the biggest mobile marketing conference in the Eastern Europe.

The conference program features insights and reports from top Eastern European mobile marketing professionals, app developers and analytics companies. It also includes the latest brand promotion and mobile traffic monetization cases and success stories.
