

## Clickky Receives Gold in Stevie Awards

[Clickky](#), the world's leading platform for mobile user acquisition and traffic monetization in emerging markets, received a Gold Stevie at the 2016 International Business Awards. The company was awarded as the Fastest-Growing Company of the Year in Europe. In 2015-2016 Clickky experienced sustainable growth: company's revenue has grown to 125% while its profit growth made up 186%. The company opened 2 new offices increasing the quantity of employees up to 139%.

*"Clickky experienced a major growth boost in the recent years and we are extremely honored to be recognized with a Gold Stevie. We have always been technology-driven, ready to implement new business approaches and ride the wave of mobile innovations. The key to our success is that we are completely in love with mobile and we are not afraid to explore new opportunities of the rapidly evolving market. Needless to say that we will continue to pursue new and ambitious goals in the years to come,"* – shared Vadim Rogovskiy, Clickky's CEO and founder.

The Stevie Awards are the world's premier business awards and one of the world's most coveted prizes. Started in 2002, the Stevie Awards honor and generate public recognition of the achievements and positive contributions of organizations and working professionals worldwide. The International Business Awards is one of the Stevie Awards programmes which honors accomplishments in all aspects of work life.
